

Charming four bedroomed house with pool near Montmorillon

This lovely house is only fifteen years old- it is set in a large, landscaped garden enjoying total privacy and yet, is only a ten minute drive from the town of Montmorillon. Apart from one upstairs, en-suite guest bedroom all of the accomodation is on the ground floor, opening onto the terrace. There . . .

Behind the house is the swimming pool with a wooden cabin holding the pump equipment as well as a heated shower and WC (with separate caravan plug in points for your friends). The house is in immaculate condition and with a wood burning insert, fuel fired central heating and under-floor heating you are unlikely to get cold. The nearby town of Montmorillon has markets, shops, schools, hospitals, bars, restaurants and regular festivals of music, antiques and farmers markets. What more could you ask.
