

**Bozel. 2 bedroom apartment around 60m2, great views, good condition, close all services and Courchevel ski resorts.**

Lovely apartment with 2 bedrooms in the lively and popular all year round mountain town of Bozel. The apartment is on the 4th floor, the top floor, and is serviced by a lift. It has a spacious lounge/dining and kitchen area with everything fully equipped and in good condition. Off the lounge is a lovely balcony with views to St Bon Courchevel and over the recreation lake.

All in all this is a light and airy apartment in a great location, within walking distance to all the shops and restaurants and also the plan d'eau (lake) and various other places of interest. A car or bus ride away are the ski resorts of Courchevel which link in to the Three Valleys, Pralognan-de- Vanoise and Champagny-en-Vanoise part of the Paradiski ski area, which makes it a great ski base. In the summer there are loads of activities to partake in from golf to paragliding to walking and fishing ? something for everyone.
