**Amazing opportunity - 6 hectares of beautiful Dordogne countryside with permission in place for 35 holiday homes**

6 hectares of Dordogne countryside with streams and forests close to golf courses and popular tourist destinations. All the hard administrative work has been done (and there was a lot of it) The site is ready to go with permission for 35 holiday homes, restaurant, staff quarters and living accommodation. This is a unique opportunity and unlikely to be repeated in this . . .
